What Can Carl Tebon's Camp Do For You?

Carl Tebon's Summer Training Camp is being held for over 25 years! It will be at the **Dubuque Sports Complex**, on Nightengale Lane just off Cedar Cross Road. This past summer, about hundred young boys were trained in the fundamentals of baseball—ranging from offense to defense to base running. Each child is given individual attention by our coaching staff, which is comprised of head college coaches and Loras College baseball players. More important than teaching the fundamentals, Coach Tebon and his staff bring a love of the game of baseball that reflects onto the young ball-players attending. Each camper will be assigned an individual coach who will coach them during team activities. Our goal is that your child will be a better player at the end of the week!
